FROM THE PRINCIPAL

The Class of 1971 is the first of a new decade. A decade that is filled with the promise of a brighter future for all people. A future that will grow dimmer as long as the age-old enemies of human progress are allowed to prevail. This is the perpetual paradox of mankind. Until we are able to govern those forces that manifest themselves as anger, envy, gluttony, greed, lust, pride and sloth, human society will be plagued with inequities, unrest and wars.

Fortunately, this Class is representative of its times. Your generation is aware of that which need changing. In fact, you have been part of a markedly successful effort to bring about change. For, through your involvement, a new Dunbar will be realized within this decade. This school, a result of your monumental contributions, will be more than just a new physical plant. It will be the foundation-head of a renaissance in the art of teaching.

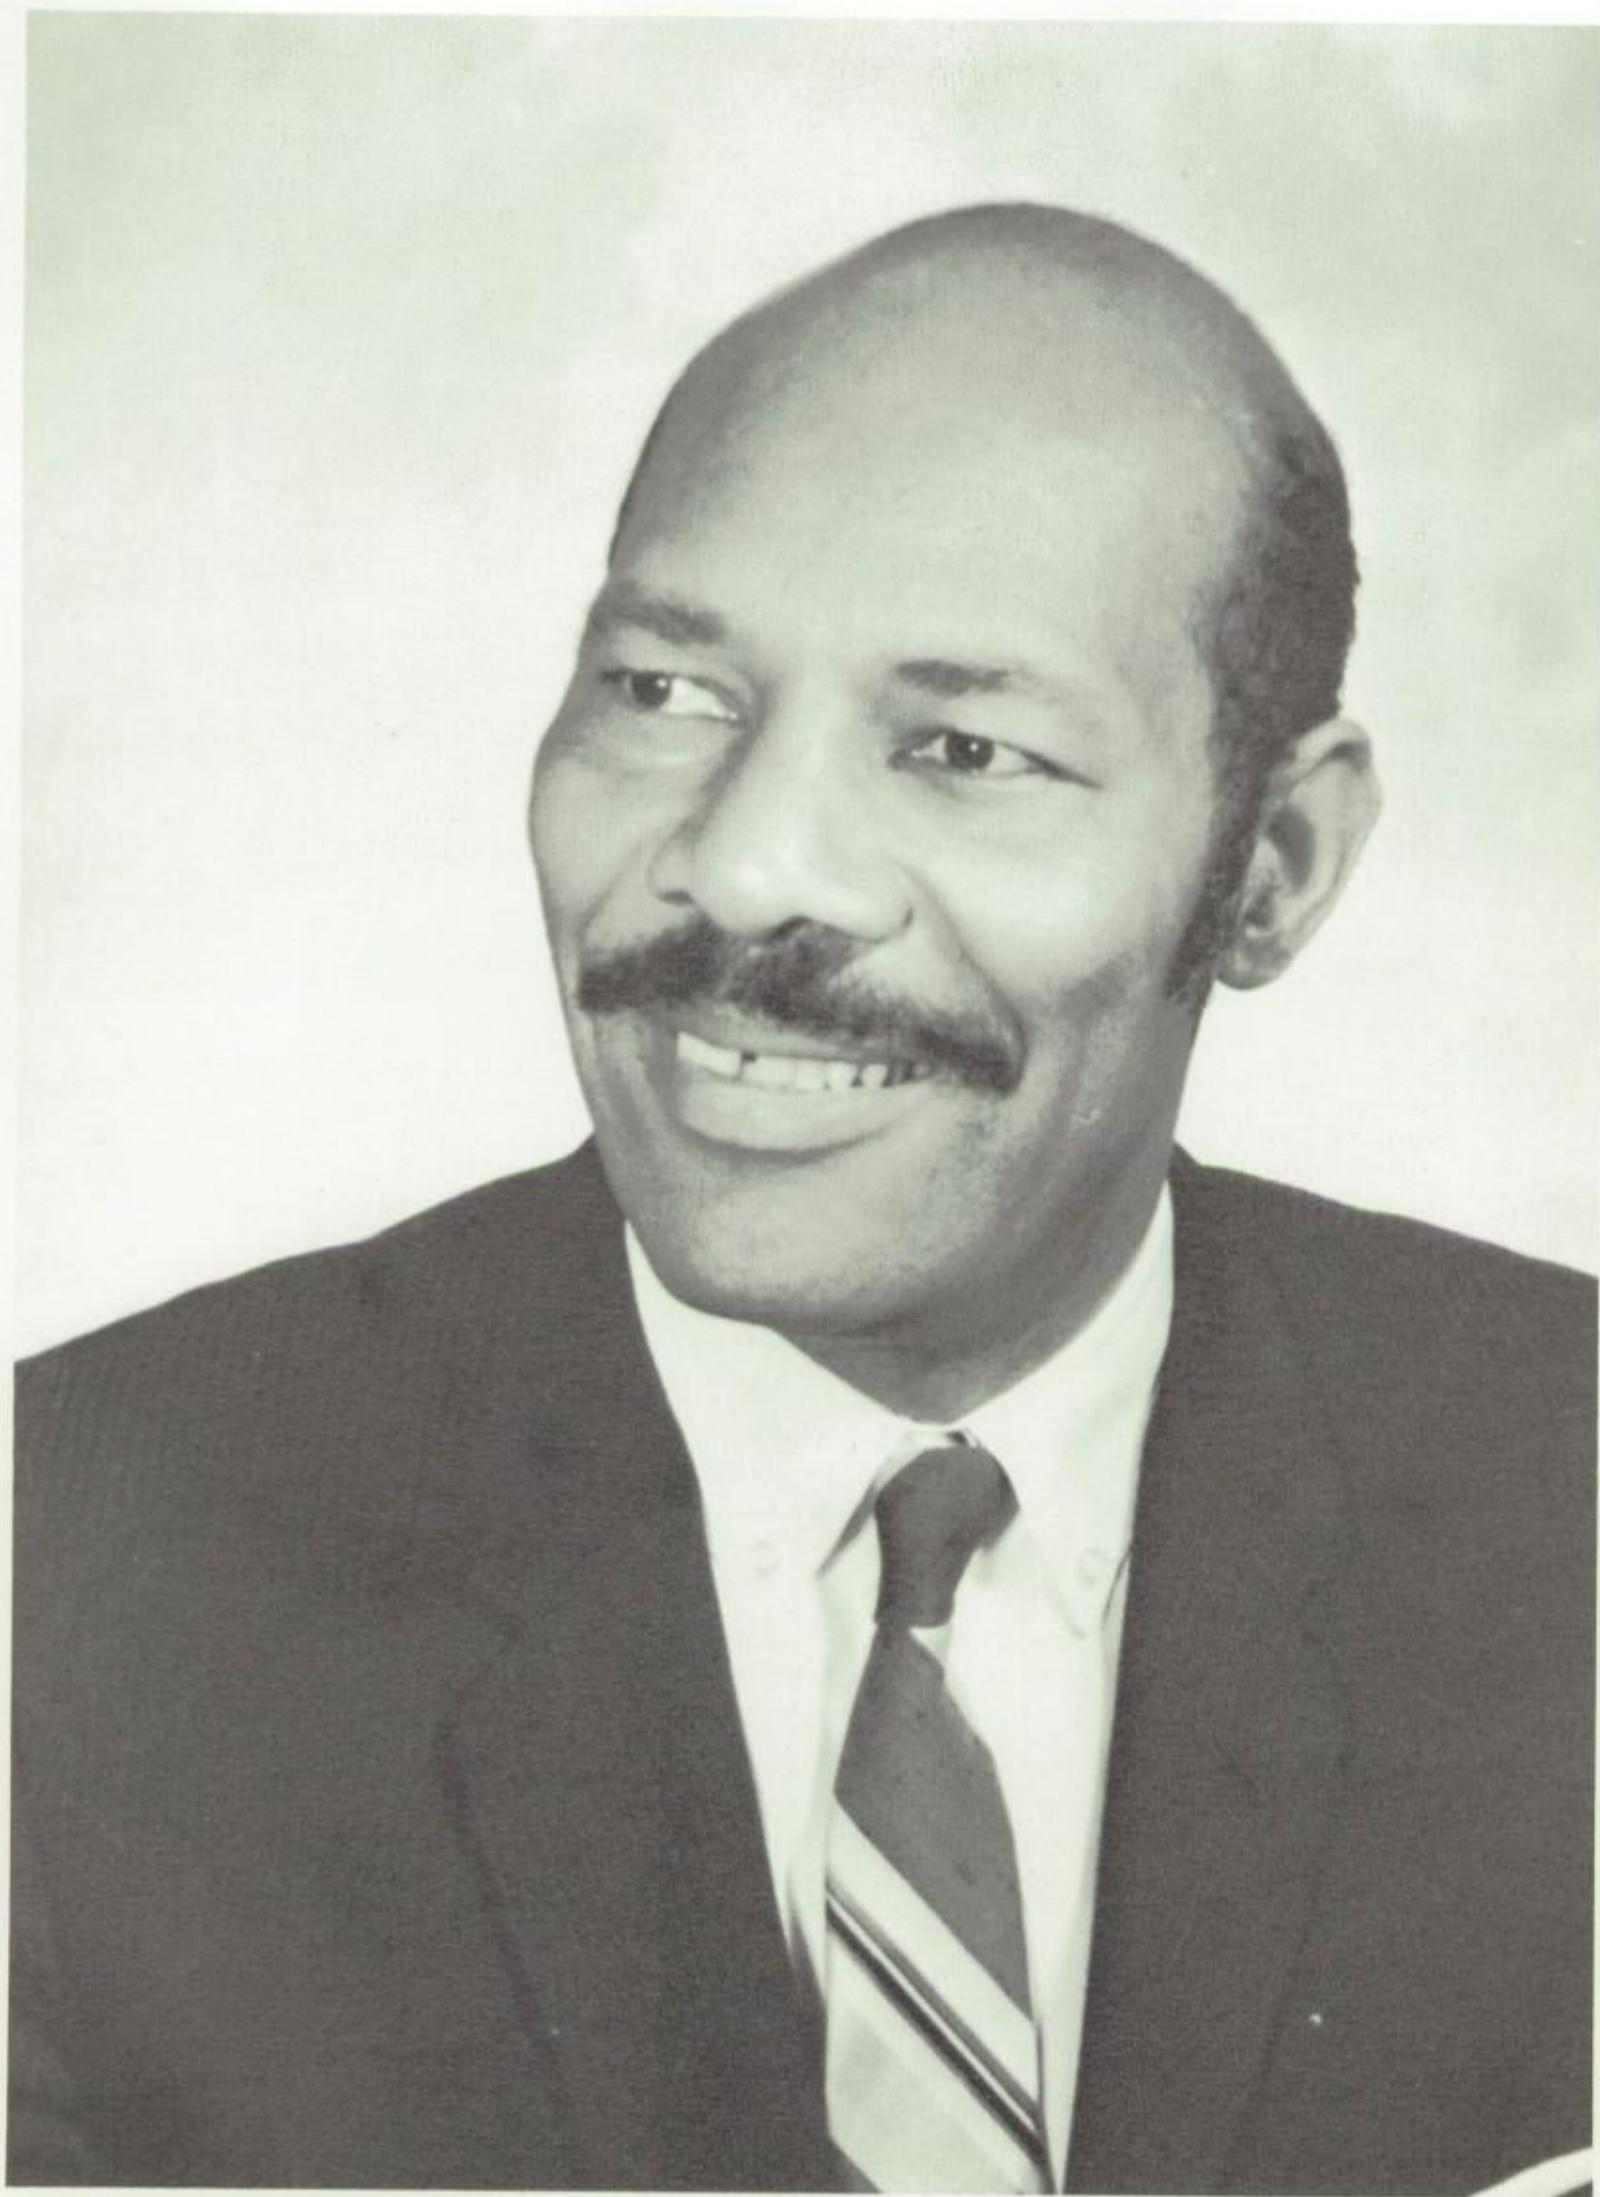

Yes, the kind of school that you envisioned will soon be a reality. Because of your participation, it will be equipped to deal with the reality of life in the 1970's. The curriculum that you helped to create will be concerned with more than just learning facts and dates by rote. It will deal with the problems succeeding classes will face. The continuing problems of morality, ethics, and personality development. The challenge presented by sexual maturity. The drug dilemma. All of these will be dealt with as part of the new Dunbar's effort to build an informed, enlightened citizenry. Equally important, the new Dunbar will continue to build Black Awareness and Pride. Ever-greater emphasis will be given to the history of the contributions of black people to our American culture.

No institution, by itself, can bring about the realization of "the promised land". But, a group of people with the will to improve things can use an institution as a starting base. The faculty and the students of the new Dunbar will comprise such a force for the creation of a climate of positive change.

Many of you, I know, will leave Dunbar never to return. Your directions in life will take you to other cities, other states and other countries. Others, I sincerely hope, will return to Dunbar as educators for the generations to come. Still others will be the parents of students in the new Dunbar. However, all of you, no matter what your paths in life, are now members of that illustrious group of ladies and gentlemen known as Dunbar Alumni. This is an identity which you will carry forth from this day on. In the tradition of all those who have preceded you, and for the good of those yet to come, carry it well.

Clarence W. Blount

CLARENCE W. BLOUNT
PRINCIPAL

To the Dunbar Graduating Class of 1971 —
Congratulations and best wishes!

You've made it! For twelve long years you have been toiling and striving to reach this milestone in your lives. I realize that many times you were tempted to give up when the going was rough and simply say, "Forget it". But determination made you hang in there because you realized the necessity of a high school diploma in this competitive world.

Are you ready? Are you ready to meet the great challenge of this exciting decade? Are you ready to assume your position in the adult world? Are you ready to make sacrifices to achieve your goals? Are you ready to face oppositions, yet pick yourselves up and keep going? Are you ready to develop your abilities to succeed through hard work, determination, overcoming trials and tribulations, even blood, sweat, and tears to reach your life's ambition? For twelve years your parents, counselors, and teachers have been preparing you — but — are you ready? I sincerely hope that you are.

I wish for each of you much success in the area of higher education or in the world of work. Dunbar High School, through its many programs and opportunities to learn, has done its part in preparing you for the future; so thanks for coming to Dunbar.

In this year of Our Lord, one thousand nine hundred and seventy-one, I hail you as senior high school graduates with all the rights, honors, privileges, and responsibilities thereto appertaining. May God grant you health and strength to keep going "right on".

Raymond T. Carpenter

Raymond T. Carpenter
Assistant Principal

To the Class of 1971,

My wishes for a happy and productive future go with you. The world is Yours to enjoy and nurture as your ambitions dictate. With my good wishes go my sympathy to the ecological, social, and economical men you inherit as our beneficiaries. I feel you have all the skills and drive necessary to overcome many of the ills that beset our survival.

It is you who must harvest for your children and the older people a better world for posterity. More training to refine this potential or more reflection on things that are most important to the total survival of us all may be needed.

Your charge is no simple task. Remember you are the best we have and we feel confident that you will produce, change, and give us new hope for our Utopia.

For He Who Has
Life's Greatest

Not Labored Here Pride Has Missed, —

PAUL LAWRENCE DUNBAR

The man who simply sits an' waits
Fur good to come along,
Ain't worth the breath that one would take
To tell him he is wrong.
Fur good ain't flowin' round this world
Fur ev'ry fool to sup;
You've got to put yo'r see-ers on,
An' go an' hunt it up.

Good goes with honesty, I say,
To honor an' to bless;
To rich an' poor alike it brings
A wealth o' happiness.
The 'ristercrats ain't got it all,
Fur much to their su'prise,
That's one of earth's most blessed things
They can't monopolize.

Paul Laurence Dunbar

YOUNG GIFTED AND BLACK . . .

. . . AND BEAUTIFUL

Take Yo' Time, Miss Lucy

MISS LUCY she is handsome,
Miss Lucy she is tall;
To see her dance Cachuca,
Jes' captivates us all.

Oh, Miss Lucy's teeth is grinnin',
Jes' like an ear of corn;
An' her eyes dey look so winnin',
Oh! would I'd never been born.

Take yo' time, Miss Lucy,
Take yo' time, Miss Lucy Long;
Oh! take yo' time, Miss Lucy
Take yo' time, Miss Lucy Long.

I ax'd her for to marry
Myself de other day;
She said she's rather tarry,
So I let her have her way.

If she makes a scolding wife,
As sure as she is born,
I'll tote her doen to Georgia,
And' trade her off for corn.

Take yo' time, Miss Lucy,
Take yo' time, Miss Lucy Long;
Oh! take yo' time, Miss Lucy,
Take yo' time, Miss Lucy Long.
Traditional

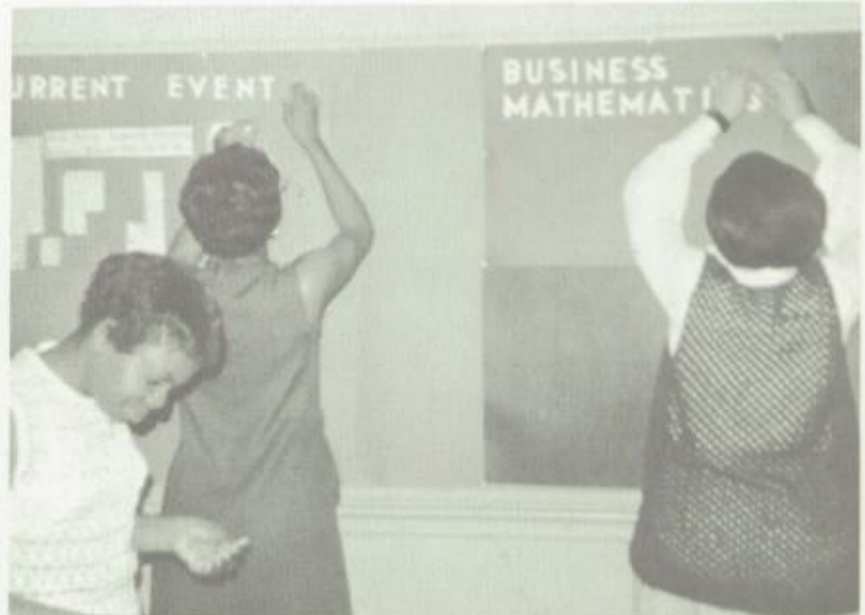

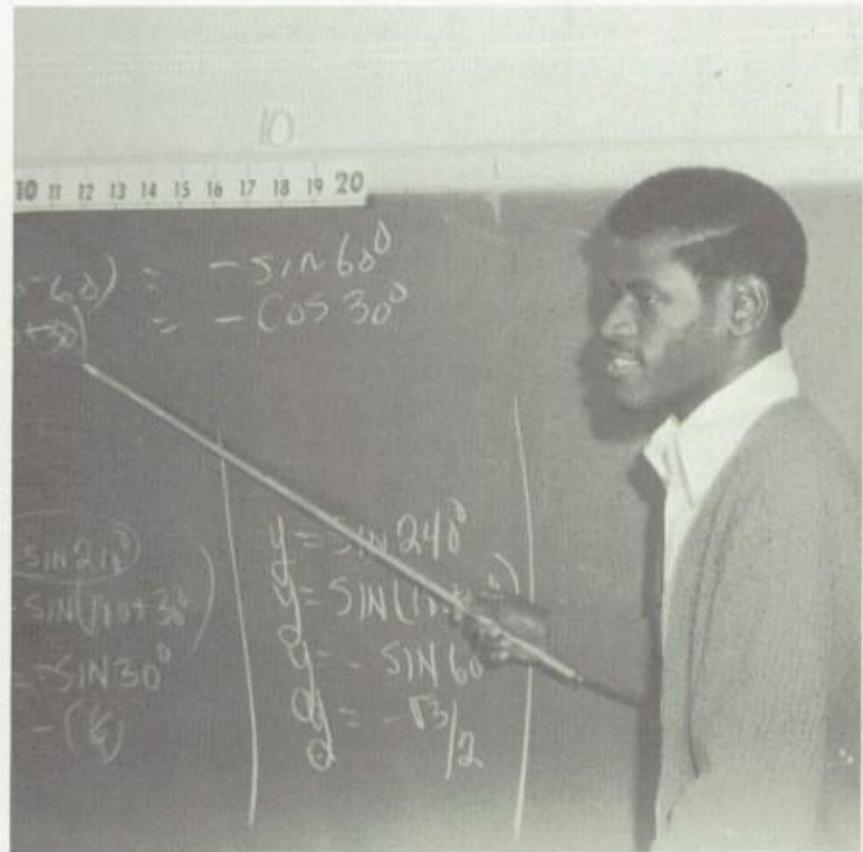

Tomorrow's Men

Children today — tomorrow — men!
A few more suns and moons and then
Long limbed and sinewy they stand
The manhood of our native land.

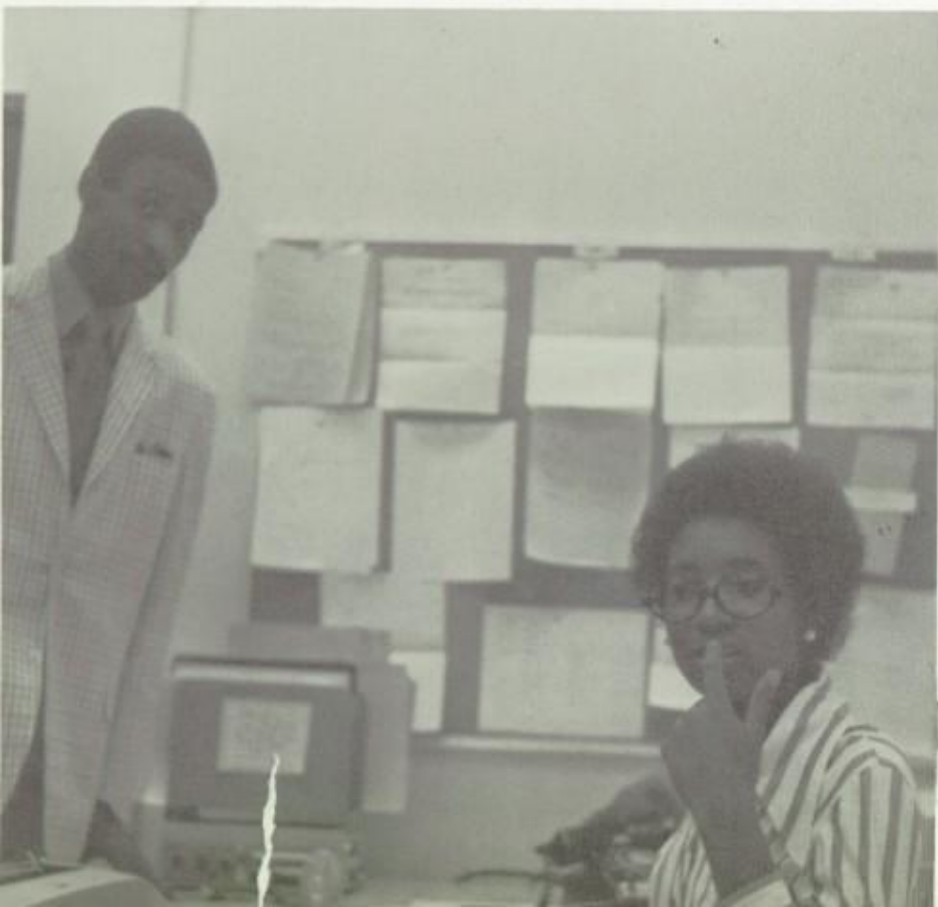

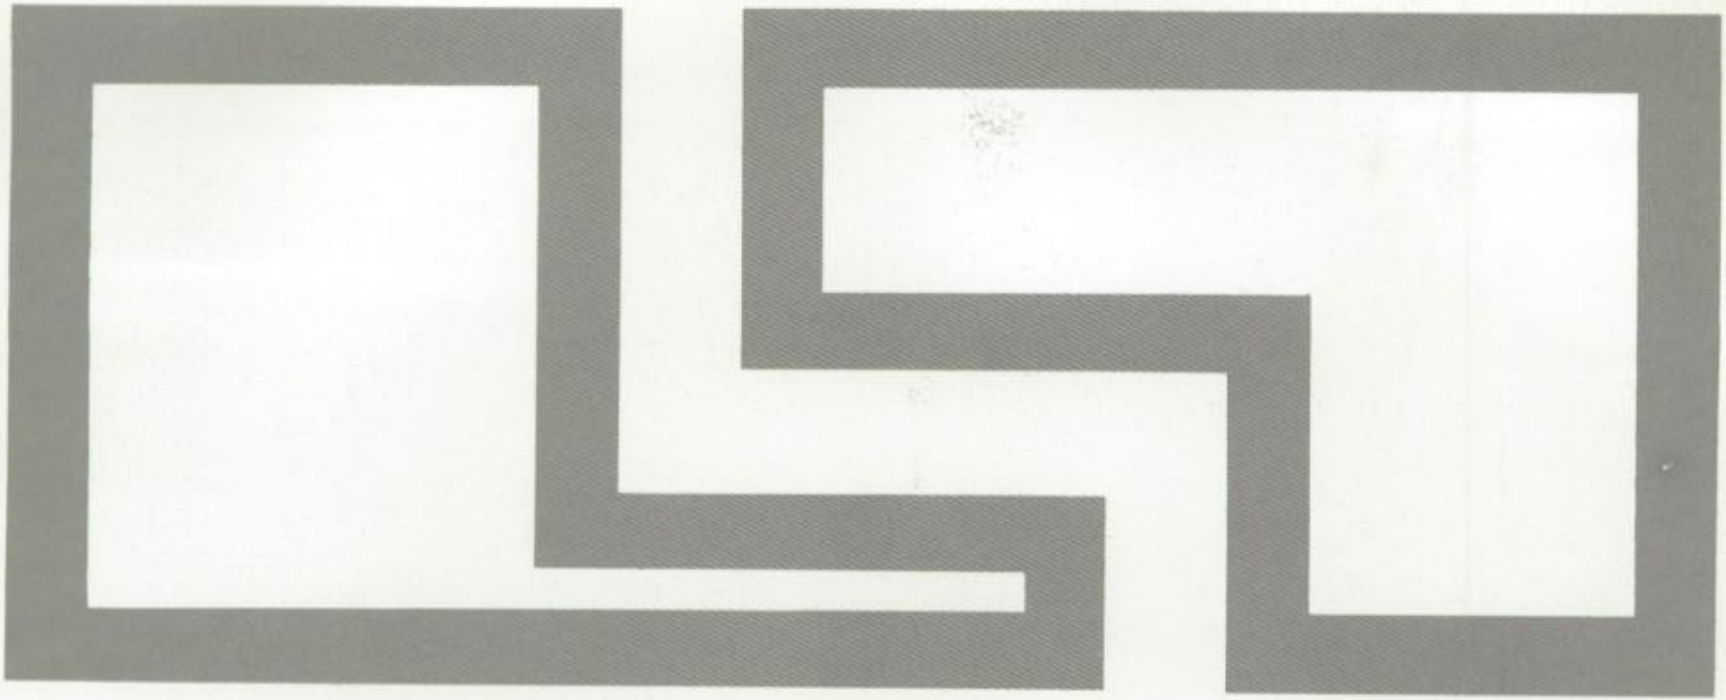

Show them the dignity of toil;
Give them the mother-touch of soil;
Teach them the cunning of the tool;
As well as riddles of the school.

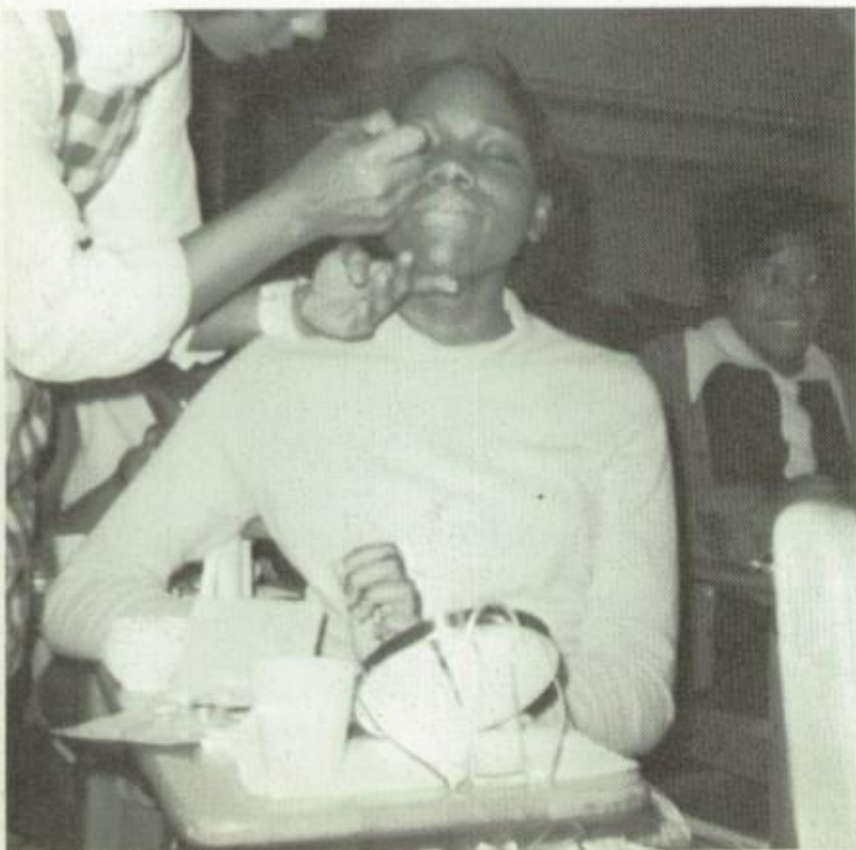

For wealth and favors fade away
With fortune's frown within a day;
But masters of a trade are free
To re-secure their destiny.

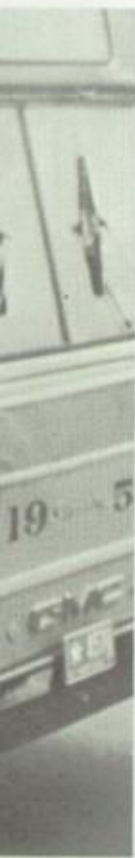

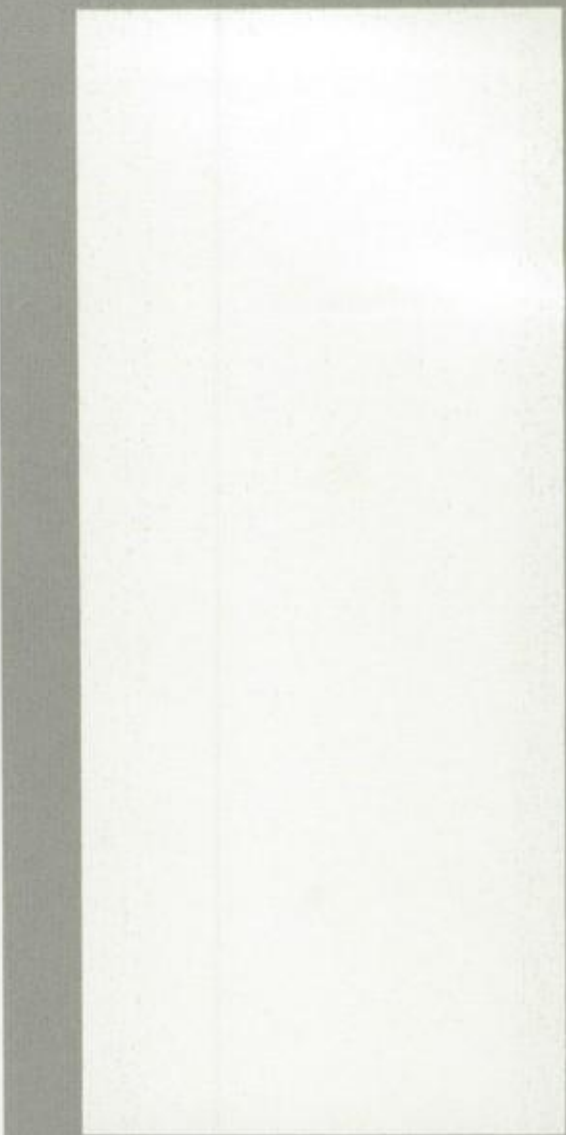

Where is the man who dares to scorn
The honest man to labor born?
For Labor has her rugged peers
Who glorify the gown she wears!
Georgia Douglas Johnson

Dunbar Expects 1 More Surprise

This has been a year of surprises for Dunbar basketball coach Sugar Cain, but the biggest one is yet to come.

The Poets are unbeaten in 11 outings in the rugged Division II of the Maryland Scholastic Association A Conference. The latest win, 73-56, over Cardinal Gibbons Tuesday presented a rather convincing display of at least two 1971 surprises.

**“ONE OF THE FIRST THINGS I THINK
YOUNG PEOPLE, ESPECIALLY NOWADAYS,
SHOULD LEARN IS HOW TO SEE FOR
YOURSELF AND LISTEN FOR YOURSELF
AND THINK FOR YOURSELF. IF YOU FORM
THE HABIT OF GOING BY WHAT YOU HEAR
OTHERS SAY ABOUT SOMEONE, OR GOING
BY WHAT OTHERS THINK ABOUT
SOMEONE, INSTEAD OF SEARCHING THAT
THING OUT FOR YOURSELF AND SEEING
FOR YOURSELF, YOU WILL BE WALKING
WEST WHEN YOU THINK YOU’RE GOING
EAST, AND YOU WILL BE WALKING EAST
WHEN YOU THINK YOU’RE GOING WEST.
THIS GENERATION; ESPECIALLY OF OUR
PEOPLE, HAS A BURDEN, MORE SO THAN
ANY OTHER TIME IN HISTORY. THE MOST
IMPORTANT THING THAT WE CAN LEARN
TO DO TODAY IS THINK FOR OURSELVES.”**

IF WE MUST DIE

IF WE MUST DIE, LET IT NOT BE LIKE HOGS
HUNTED AND PENNED IN AN INGLORIOUS SPOT,
WHILE ROUND US BARK THE MAD AND HUNGRY DOGS,
MAKING THEIR MOCK AT OUR ACCURSED LOT.
IF WE MUST DIE, O LET US NOBLY DIE,
SO THAT OUR PRECIOUS BLOOD MAY NOT BE SHED
IN VAIN; THEN EVEN THE MONSTERS WE DEFY
SHALL BE CONSTRAINED TO HONOR US THOUGH DEAD!
O KINSMEN! WE MUST MEET THE COMMON FOE!
THOUGH FAR OUTNUMBERED LET US SHOW US BRAVE,
AND FOR THEIR THOUSAND BLOWS DEAL ONE DEATH-BLOW!
WHAT THOUGH BEFORE US LIES THE OPEN GRAVE?
LIKE MEN WE'LL FACE THE MURDEROUS, COWARDLY PACK,
PRESSED TO THE WALL, DYING, BUT FIGHTING BACK!

'Don't Give Us An Old-Time School'

By JAMES D. DILTS

The second anniversary of the Dunbar charette is fast approaching and the educational desires of the neighborhood expressed during that cathartic two-week, \$40,000 planning exercise are rapidly being transposed into physical designs. If the work proceeds according to schedule, the building should go out for bid in April, just about two years after the charette was held in March, 1969. And if the school is actually built the way it's planned, it should be a dandy.

The argument over Dunbar started several years ago. It began in anger over the quality of education offered in a patchwork physical plant of five buildings, some 54 years old.

In 1965, when the school built for 1,800 students was jammed with 4,000, there were CORE sit-ins at the Department of Education. The department's open enrollment policy eased the strain but aggravated Dunbar's other problems as the best students left for other schools. In addition, the school had become, the community charged, a dumping ground for castoff materials from other parts of the school system. The Department of Education had decided to phase Dunbar out and the quality of education fell still further in a once-proud institution that numbers Thurgood Marshall among its former students.

From The Editor's Desk

I dedicate this wonderful work of art to the entire Dunbar family. I give a special dedication to the Dunbar Administration and faculty because they have worked so hard to keep Dunbar in the lime-light as a top rate school and to foster each students ability in himself and his ability to achieve.

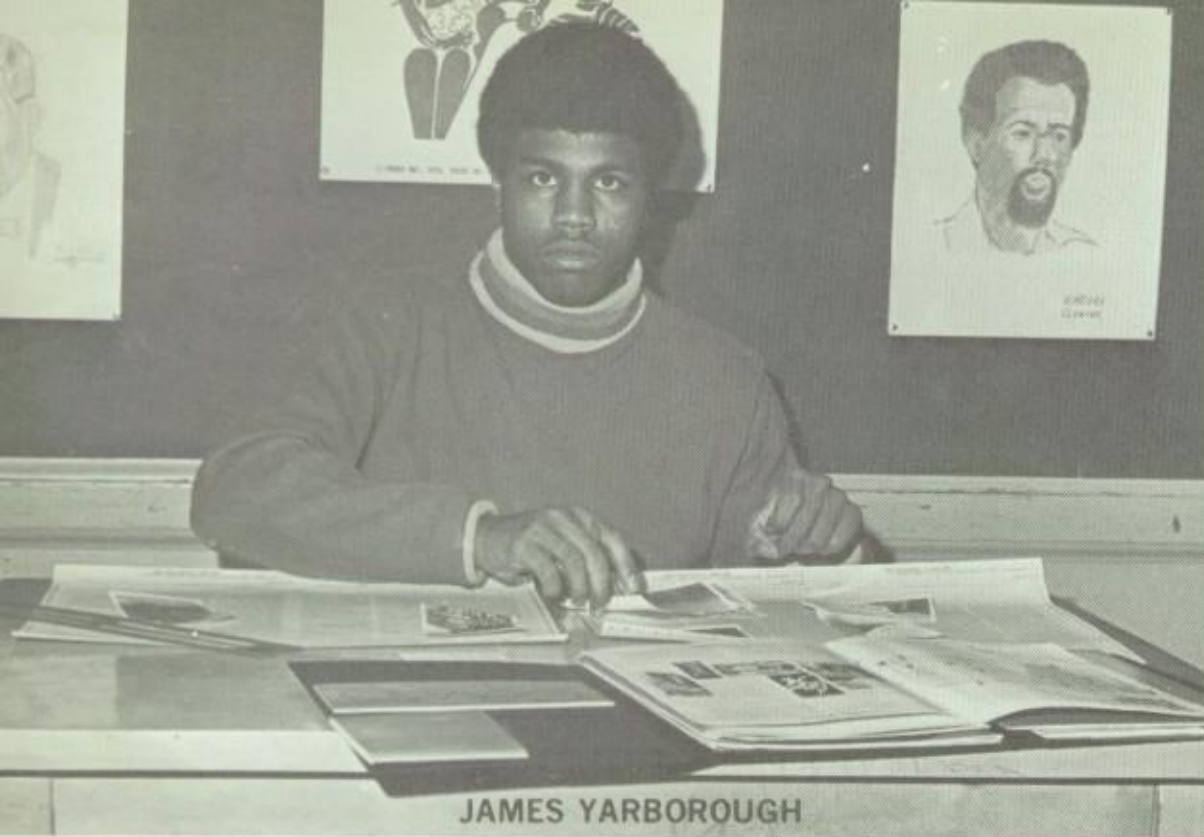

I would like to sincerely thank the staff for working so diligently to achieve one of the greatest yearbooks ever published. I give special thanks to Mr. Nathaniel McFadden (class sponsor) for guiding us for the betterment of our class.

To everyone that may observe this work, I hope you enjoy this book as much as I have enjoyed editing it. And on behalf of the staff may it be a treasure to our family for many years to come.

Cordially,
